General Information

Quotation No.: DPBLML260331-AUS-V1-Brandon

1	Project ID:		Building Area:	
2	Customer Name:		Site Location	
3	Customer Contact:		Delivery model:	
4	Quote Date:		Expiry Date:	
5	Building type		Storeys	
6	Sales person		Sales E-mail	

Payment term.:	50% deposit, balance before shipment
Estimated-Delivery time:	4-6weeks after both Design and payment confirmed
Packing:	By Normal SeaContainer
Note:	
1. If order is not placed within the quote validity date, all costs must be re-confirmed.	
2. The final price has to be confirmed by final drawings and the options of materials	
3. Price is just for the above listed items and quantities.	
4. The electrical and plumbing is just for cable and pipes, pipe accessories, without any sockets, switches and other equipment.	
NOTE TO OUR CUSTOMERS: The above pricing sheet is an estimate only and it is calculated from customer's drawings. However this estimation is made without reviewing the project site, without completing the engineering phase, confirmation of materials, and without the full knowledge of local codes. It is possible that unanticipated circumstances may be encountered. This paragraph will serve as a disclaimer that DEEPBLUE is only responsible for the items and quantity listed, and only for normal or average conditions. Any unanticipated or undisclosed project concerns which arise due to the lack of drawings, site planning, unconfirmed finishings, will not be the responsibility of DEEPBLUE and may require a revision of this estimate and additional expenses and fees may apply.
